
Dont Make Me Think Revisited A Common Sense Approach To Web Usability 3rd Edition Voices That Matter

don't make me think, revisited - pearsoncmg - wrote the first edition of don't make me think back in 2000. by 2002, i began to get a few emails a year from readers asking (very politely) if i'd thought about updating it. not complaining; just trying to be helpful. "a lot of the examples are out of date" was the usual comment. **don't make me think - acstu** - don't make me think sends a clear and powerful message to those in charge of creating web pages: make your site as effortless as possible. create self-explanatory designs. know that users are in a hurry. don't write a novel, design billboards. harness the power of accepted conventions. make **10 usability lessons from steve krug's don't make me think ...** - usability, i've re-read steve krug's don't make me think and pulled out what i consider to be the most insightful and best thoughts in this book. i highly recommend picking up a copy if you get a chance, but here are some things **don't make me think a common sense approach to web usability** - dont make me think a steve krug, author of don't make me think! a common sense approach to web usability, provides consulting services including expert usability reviews and usability testing workshops. advanced common sense - steve krug's web site i don't think we owe college to our kids. does that make me a bad father?
